Conference Hall of Directorate of Industries which featured a variety of activities including a demonstration on waste segregation by Swachhata Awareness Team of PBMC, a presentation by a pioneering Startup on circular economy, and a display of artefacts crafted by trainees from the Industries Department.

On the occasion, the Director (S&T), Industries and Joint Secretary (PBMC), Shri Abhishek Bhukal addressed the attendees, emphasizing the significance of World Environment Day and the collective responsibility towards environmental stewardship. "Our actions today will determine the quality of life for the future generation and through initiatives like waste segregation and the adoption of circular economic practices, we can make a positive impact on our environment", he remarked.

The event commenced with an informative and practical demonstration on waste segregation by SAT team of PBMC. This demonstration highlighted the importance of separating waste at the source level into biodegradable and non-biodegradable categories. Participants were educated on effective methods of waste disposal and the significant impact, this practice can have on reducing pollution and conserving natural resources.

A notable feature of the event was a presentation by an innovative startup specializing in circular economy. The startup showcased their sustainable business model, which focuses on minimizing waste and maximizing resource efficiency.

Adding a creative touch to the event, trainees from the Industries Department displayed a collection of artefacts made from recycled and eco-friendly materials. These artefacts not only demonstrated the trainees' skills and creativity but also underscored the potential of turning waste into valuable products. The display served as an inspiration to attendees, showing how innovative thinking can contribute to sustainable development.

The event concluded with the vote of thanks proposed by Shri Ajit Anand, Deputy Director (Industries) with a message to all the attendees to adopt environmental friendly practices in their daily lives and to spread awareness about the importance of environmental conservation, a press release from Industries Department said.
