 Another landmark decision in the recent year was extending the Old Pension scheme to those employees who joined on or after 01.01.2004 but whose result for recruitment had been declared before 01.01.2004. This was a long standing demand of employees covered under the National Pension System (NPS) and was the cause of several court cases and anxiety among such employees.
 The other welfare activities carried out in the last one year include facilitating doorstep service for submission of life certificate with the help of Pension Disbursing Banks, DLC from home campaign by involving Pensioners' Associations in 24 cities, organizing the First Regional Adalat at Jammu, and issuance of consolidated instructions to banks in order to ensure ease of living for pensioners.
