Hon'ble Raksha Mantri visits Indira Point, country's Southernmost tip

Takes stock of defence preparedness & encouraged troops to continue protecting the national interests in the region

Visits INS Baaz and interacted with troops

Port Blair, Jan.6 (PIB)
On the final day of his two-day visit to Andaman & Nicobar Islands, Raksha Mantri, Shri Rajnath Singh visited Indira Point, the southernmost tip of the country today. He was accompanied by Commander-in-Chief Andaman and Nicobar Command (CINCAN) Lieutenant General Ajai Singh. Shri Rajnath Singh took stock of the defence preparedness and encouraged the troops to continue protecting the national interests in the region. Indira Point is along the Great Channel, popularly referred to as

the 'Six Degree Channel', which is a major shipping lane for international traffic. A strong presence of the Armed Forces equips India to better discharge its responsibility of being a net security provider in the region. En-route, the Raksha Mantri halted at the Car Nicobar Island and Campbell Bay where he was apprised about the ground conditions. He also interacted with the joint services troops of Andaman and Nicobar Command there, lauding them for serving the country with unmatched bravery and commitment.

The Raksha Mantri was familiarised with the terrain of Southern Group of Andaman and Nicobar Islands. He also paid a visit to INS Baaz and interacted with troops. On January 05, 2023, the Raksha Mantri visited the Headquarters of Andaman & Nicobar Command in Port Blair where he reviewed the operational preparedness of the Command and infrastructure development at operational areas. This is the first visit of the Raksha Mantri to Indira Point since January 2019. Apart from the Strategic Signalling

in view of proximity of these far-flung Islands to the Indo-Pacific, the visit of Raksha Mantri to A&N Command motivated the troops deployed in these distant and remote Islands. It is pertinent to mention that A&N Command is a 21-year-old successful Integrated Theatre Command which is now being planned at the national level.
