A&N Administration's Green Initiative in Power Sector - Boost to Economy

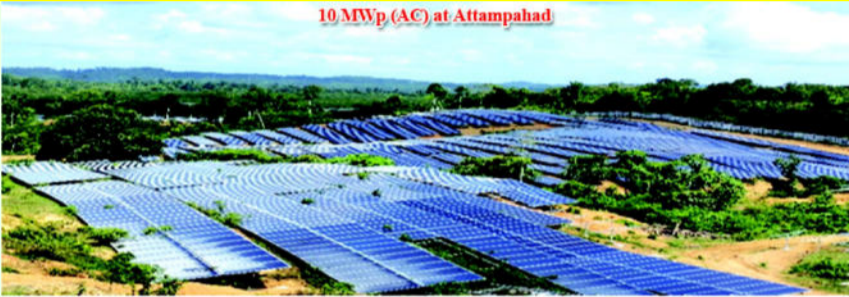

Major milestone achieved: 20 MWp Solar Power Plant with Battery commissioned at Attampahad & Dollygunj

Day peak power requirement of Port Blair & South Andaman being met through solar energy from July 1

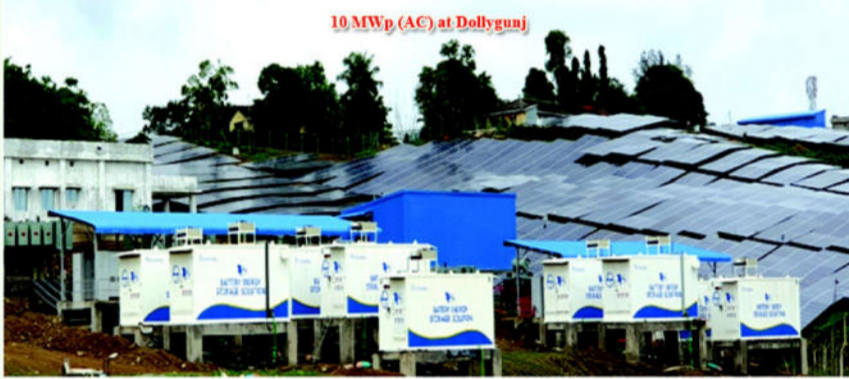

Port Blair, July 4

The Ministry of New and Renewable Energy (MNRE) has allocated 47.5 MWp capacity of Solar Power Plants at various locations in A & N Islands under the programme- 'Greening of the Islands'. As a partial fulfillment of this programme, NLC India Ltd., a Navratna Enterprise of Govt. of India was entrusted with the establishment of 20 MWp Solar Power Plant at Attampahad and Dollygunj. The total project cost is around Rs.130.77 Crores of which 40% viability gap funding has been provided by MNRE.

This Solar Power Plant, is one of its kind in India, integrated with 8 Megawatt hour Battery Energy Storage System (BESS) for smoothening the Solar Power export to the grid. This is the largest battery bank in India for catering to the variation in solar insolation. The entire project has been accommodated in two locations, one at Attampahad and other at Dollygunj, each of capacity 10 MWp (AC). The expected power output from the plant is 20 MWp (AC) and generation would be 26 MU annually during the initial years. The power would be fed to the electricity grid and the levelized tariff for the units

10 MWp (AC) at Attampahad

10 MWp (AC) at Dollygunj

received is expected to be Rs.6.65 per unit.

The power plant was partly commissioned on December, 2018. The equipment testing works were completed and pre-commissioning activities had started in mid-June, 2020. Thereafter the

plant was commissioned in blocks of 5 MWp with equivalent BESS from 25th June onwards and has been fully commissioned with equivalent battery on 30th June, 2020. With the full commissioning of this 20 MWp Power Plant,

substantial portion of the day peak requirement of Port Blair & South Andaman will be met through Solar Power.

This power plant from 1st July, 2020 onwards is delivering full power to the grid during the day time, as per the availability of solar insolation. This will bring down the annual diesel consumption by approximately 5000 KL, thereby causing a saving of approximately Rs.20 crores to 25 crores annually to the Govt. exchequer and also shall reduce the carbon footprint in these Islands. This saving can be diverted towards other developmental activities, which shall open up new opportunities under holistic reforms for these Islands.

One major milestone under the initiative of 'Greening of the Islands' has been achieved by

Govt postpones JEE, NEET exams in view of COVID-19

Port Blair, July 4

Union Government has postponed medical and engineering entrance examinations viz. NEET and JEE in view of COVID-19 pandemic. Now, the Joint Entrance Exam (JEE) Main examination will be held from 1st to 6th September this year while JEE advanced exam will be held on 27th of September.

National Eligibility-cum-Entrance Test (NEET) will be held on 13th of September. In a tweet,

Human Resource

Development Minister, Shri Ramesh Pokhriyal Nishank said, the decision has been taken keeping in mind the safety of students and to ensure quality education.

The decision was taken following recommendations of an Expert Committee set up by the Government to review the feasibility of conducting the exams in July. The panel recommended to postpone the examinations. (Source: india.gov.in)

India will not allow import of power supply equipment from China without Govt's permission: Power Minister

New Delhi, July 4

Union Power Minister, Shri R K Singh has said, India will not allow import of power supply equipment from China without permission from the Government. He added that such an import may be used as a Trojan Horse element which can be potentially used to trigger a power grid shutdown in the country. Addressing the virtual State Energy Ministers Conference

yesterday, Shri Singh asserted that Indian companies will need Government's permission to import all power supply equipment and components from China or any other country.

He said, all such imports will be subjected to an intense inspection in certified laboratories designated by the Power Ministry to check for any kind of embedded malware, Trojans or cyber

threats.

Shri Singh stressed on the need to promote Indian manufacturers of conductors, transformers, tower elements and parts of electric meters. He asked power DISCOMs to review all imports from foreign countries including China for equipment which are manufactured in the country and instructed to stop such imports. (Source: india.gov.in)

Over 500 flights to be operated under Phase Four of Vande Bharat Mission

New Delhi, July 4

The Vande Bharat Mission, which entered its Fourth Phase yesterday, is progressing smoothly. More than 500 flights will be operated under Phase Four of this Mission. This includes both Air India and private carriers who are ramping up their operations in a big way. Air India will be conducting 170 flights till 15th of July to and from 17 countries, including Australia, Bahrain, Bangladesh, Canada, Germany, Japan, Kuwait, Malaysia, Oman, Saudi Arabia, Qatar and Philippines.

Private airlines will have significant participation in the Fourth Phase of Vande Bharat Mission. The Civil Aviation Ministry said that among others, Indigo will operate 238 flights from Qatar and 219 flights from Kuwait. Go Air will operate 41 flights from Kuwait. Phase Four will particularly focus on countries where there

still are a large number of Indians who have registered to return. (Source: india.gov.in)

Police goes tough against bootleggers; CCS team seizes 236 bottles of IMFL

Port Blair, July 4

Keeping its commitment of tough action against illegal activities, the staff of PS Central Crime Station under the supervision of SHO, PS CCS, carried out special raids in South Andaman on July 2 & 3 and recovered 236 bottles of Indian Made Foreign Liquor (IMFL). In this connection, altogether four persons namely T. Bhaskar, R/o Dairy Farm, Dipankar Biswas, R/o Junglighat, G. Raja, R/o Bathubasti & Sanjeet

Kirtonia, R/o New Wandoor were arrested and 4 cases under Excise Regulations have been registered against them. The raids were supervised by Dy.SP (CID) under the overall supervision of SP (CID). Police will continue to fight against this menace to eradicate the illegal trade of illicit liquor and IMFL from this Union Territory.

The Andaman & Nicobar Police is taking all possible steps in making these Islands free

from anti-social activities and keeping strict vigil over gamblers, smuggling and proliferation of narcotics substances in these Islands. General public have been requested to pass on credible information on narcotics substances, illegal sale of liquor, gambling or any illegal activity on the telephone numbers: 233307, 232586, 100, & 9474290250. The identity of the informer will be kept secret, a press release from SP (CID) said.

Great relief for Cardiac Patients

GB Pant Hospital to install Single Plane Cardiac Catherisation Unit

Administration floats tender; unit expected to become functional from October

Port Blair, July 4

The A & N Administration endeavors to provide all health facilities locally in the Islands itself. It has been a long cherished demand of the Islanders to set up Cardiac Catherization Unit in A & N Islands, so that cases of Cardiac disease can be handled at G.B.Pant Hospital in Port Blair. In pursuit of this, the Health Department tried to set up the Cath Lab in PPP mode in collaboration with some

Hospitals in mainland. However, not much success has been achieved, as there was very poor response from the mainland hospitals. The Health Department could not set up its own Cath Laboratory, as there was no qualified manpower available with the Department, to operate it.

Now, the Administration has got one Specialist Cardiologist, who is specialized in cardiac interventions like Coronary Angiogram, Angioplasty including Primary Angioplasty,

PTMS, implantation of permanent pacemaker etc. Keeping this in view, the Health Department of UT Administration has now decided for procurement and installation of Single Plane Cardiac Catherization Unit for G B Pant Hospital, Port Blair. This will provide great relief to the patients who are suffering from Cardiac related disease.

Presently, the UT Administration is referring all critical cases of Cardiac disease to mainland

under Andaman and Nicobar Islands Scheme for Health Insurance (ANISHI). During the last five years, the Department has referred 573 cases related to Angiogram and 34 cases of heart block requiring pacemaker implantation. Last year itself, 174 cases for Angiogram and 14 cases of heart block requiring pacemaker implantation were referred to mainland for treatment. The setting up of Single Plane Cardiac Catherization Unit at G B Pant Hospital will

save a considerable amount of funds, besides providing relief and comfort to the patients requiring Cardiac Interventions.

In this regard, the Administration has already floated a tender on 16.06.2020 for supply and installation of Single Plane Cardiac Catherization Unit at G B Pant Hospital. It is expected that the facility will start functioning from October, 2020, a press release from Principal Secretary (Health) B Pant Hospital will said.

Evolution of Money :

- ❖ Money is anything which is generally accepted as a medium of exchange and measure of value.
- ❖ Money as we know and use today, is the end product of a long process.
- ❖ Since barter system had many drawbacks, with the discovery of metals, it began to be used as money.
- ❖ Small metal pieces, with fixed weight and vase bearing an official seal appeared in the 6th century B.C.
- ❖ Predominantly gold and silver were used to mint coins.
- ❖ During the Mauryan period copper was also used to mint coins.
- ❖ Sher Shah Suri issued silver coins and termed it as 'Rupiya'. The world is said to be derived from the Sanskrit word 'Rupya', which means a coin of silver.
- ❖ In India the earliest issue of rupee in the form of paper currency was by the Bank of Hindustan.
- ❖ After independence, followed by accession of princely states, Reserve Bank of India issued Indian National Rupee (INR) notes on behalf of the Govt.
- ❖ Indian rupee has universally recognized symbol (₹) since 2010 designed by D. Udaya Kumar, an architect turned designer from Tamil Nadu.
