# India vs West Indies: Home team in commanding position on Day 1

Rajkot, Oct 4  
Teenage sensation Prithvi Shaw announced his arrival in top-flight cricket by becoming the youngest Indian to score a Test century on debut, headlining the home team's march to 364 for four against West Indies on day one of the series-opener. Shaw (134 off 154) and Cheteshwar Pujara (86 off 130) laid the foundation for a big score with a 206-run partnership after the early loss of K L Rahul (0). Skipper Virat Kohli (72 not out off 137) and his deputy Ajinkya Rahane (41 off 92) then took the innings forward with a 105-run stand in the final session, putting India in the driver's seat before the latter was caught behind off spinner Roston Chase.

Kohli looked set for another hundred and was batting alongside Rishabh Pant (17 not out off 21) at close of play. Eighty nine overs were bowled on day one with India scoring at 4.08 runs per over. The West Indies, handed a big setback even before toss with the last-minute withdrawal of captain Jason Holder, looked ordinary at best on the field. Barring pacer Shanon Gabriel (1/66), none of the bowlers troubled the Indian batsmen on a greenish surface which did not seem to do much. The opposition attack was far from threatening but due credit must be given to Shaw, who batted like a seasoned campaigner in his first match for India. His back-foot play off the pacers was a treat to the eyes

and when spinners were deployed, he was not afraid to use the long handle. At 18 years and 329 days, Shaw reached the milestone off just 99 balls, adding to a host of records he holds in his blossoming career. He had earlier made waves by reaching three figures in his first Ranji Trophy appearance and was the youngest to hit a century on Duleep Trophy debut. In the process, Shaw also became the second youngest Indian to score a maiden Test ton after the legendary Sachin Tendulkar. Shaw, who was 75 not out at lunch, reached the three figures in the afternoon session with a typical punch to the cover, the same way he got his first runs in international cricket.

## Prithvi Shaw becomes youngest Indian to score century on Test debut

Rajkot, Oct 4  
Prithvi Shaw on Thursday became the youngest Indian and fourth overall to score a century on his Test debut. He achieved this feat in the ongoing 1st Test against West Indies in Rajkot. Prithvi Shaw toyed around with the West Indies bowlers to hit a scintillating maiden century in 99 balls with 15 fours to his name, which is also the third fastest century on debut behind Dwayne Smith's 93 (2004) and Shikhar Dhawan's 85 (2013). Shaw became the 15th Indian to hit a Test century on debut and the second youngest Indian batsman after Sachin Ramesh Tendulkar (16y 214d) to do so. He was also the youngest Test debutant opener for India after Vijay Mehra, who was 17 years, 265 days in 1955. The Mumbaier, at 18 years and 329 days, broke a

59-year-old record held by Abbas Ali Baig, (vs 112 vs England at Manchester 1959) at 20 years and 131 days against England in Manchester in 1959, to become the youngest ever to hit a ton in maiden Test. With 14 First-class matches, Shaw is also the second least-experienced Indian to make his Test debut behind Sachin Tendulkar, who had played just nine First-class matches before his debut. Prithvi Shaw had also scored a century on his Ranji Trophy
