## MESSAGE

Today, on the occasion of 24<sup>th</sup> Raising Day of the only Operational Joint Services Command of the nation, it is a matter of great honour to acknowledge the service and sacrifice of the personnel of Andaman Nicobar Command (ANC). I have been operationally and now administratively closely associated with the functioning of this prestigious Command.

The command has grown from its fledgling days into a cohesive and potent organisation not only capable of protecting the national interests in this region but also enable India to be a regional security provider. The success of numerous operations undertaken in the recent past, along with the Operational Demonstration to the Hon'ble President in Feb 2024 bear testimony to the potent operational capability of the command. The command has seen significant growth in its capability and infrastructure and is poised to act as a spring board to the east.

ANC has also been at the forefront of nation building and national initiatives towards Viksit Bharat 2047. The cooperation between A&N Administration & ANC has grown over the years and islanders have benefited immensely from the civil IICS ferries, medical evacuations, welfare schemes including adoption of numerous villages by the military units and most recently the creation of Integrated Medical Station at Campbell Bay. Numerous instances of fire fighting, anti-poaching operations and technical support to the DSS were undertaken by ANC. We are now working together towards the forthcoming attempt of undersea diving world record, off the coast of Swaraj Dweep.

I feel proud to be part of the glorious history of this Joint Services Command and extol all officers and personnel to serve with synergy and professionalism to make this Command a beacon for the future contours of theaterisation. May the flag of the Command always keep soaring high and achieve greater laurels. Best wishes and heartiest compliments to one and all on this proud and memorable day.

Jai Hind!

## MESSAGE

On this momentous occasion of the 92<sup>nd</sup> anniversary of the Indian Air Force (IAF), I take great pride in recognizing the invaluable contributions of our air warriors and their unwavering dedication to our nation. Over the past nine decades, the Indian Air Force has exemplified professionalism, evolving into one of the finest air forces globally. The rich legacy has been

enhanced by the induction of modern systems and adaption to rapidly changing operational requirements while upholding core military values and engaging in humanitarian assistance. The HADR missions across the globe and at various regions in India, participation in numerous international exercises and conduct of operation exercises and Air Shows speaks volumes of its professionalism and dedication of the air warriors.

The support rendered by the IAF during peacetime is commendable. I wish to highlight the medical evacuation of 15 emergency patients via MI-17 helicopters and Dornier aircraft in last one year. In addition, it has been extensively undertaking Inter Island Communication Sorties (IICS) to transport local civilians from Sri Vijaya Puram to far flung areas of ANI and back as humanitarian aid to the Civil Government. The first fighting efforts by MI-17 helicopters at Katchal Island and at Gandhinagar (Shivpur) was praiseworthy.

I commend all air warriors for their dedication, work ethic and commitment to duty on the significant day. I encourage them to continue fostering jointness while remaining resolute in the face of challenges.

I also commend the step taken by IAF towards nation building by adopting two villages namely Brookshabad and Shyam Nagar in North Andaman.

As we celebrate Air Force Day, I extend my warmest greetings to all personnel of the IAF, non-combatants, DSC personnel, air veterans, and their families and wish them success in all their future endeavours.

Jai Hind!
