Cabinet approves PM-Vidyalaxmi scheme to provide financial support to meritorious students for pursuing quality higher education

New Delhi, Nov. 7 (PIB)

The Union Cabinet, chaired by Prime Minister, Shri Narendra Modi, has approved PM Vidyalaxmi, a new Central Sector scheme that seeks to provide financial support to meritorious students so that financial constraints do not prevent anyone from pursuing higher studies. PM Vidyalaxmi is another key initiative stemming out of the National Education Policy, 2020, which had recommended that financial assistance should be made available to meritorious students through various measures in both public and private HEIs. Under the PM Vidyalaxmi scheme, any student who gets admission in quality Higher Education Institution (QHEIs) will be eligible to get collateral free, guarantor free loan from banks and financial institutions to cover full

lakh students to be able to potentially avail benefits of PM-Vidyalaxmi; if they so desire.

For loan amount up to Rs. 7.5 lakhs, the student will also be eligible for a credit guarantee of 75% of outstanding default. This will give support to banks in making education loans available to students under the scheme.

In addition to the above, for students having an annual family income of up to Rs. 8 lakhs, and not eligible for benefits under any other Government scholarship or interest subvention schemes, 3 percent interest subvention for loan up to Rs. 10 lakhs will also be provided during moratorium period. The interest subvention support will be given to one lakh students every year. Preference will be given to students who are from Government Institutions and have opted for technical/professional courses. An outlay of Rs. 3,600 Crore has been made during 2024-25 to 2030-31, and 7 lakh fresh students are expected to get the benefit of this interest subvention during the period.

The Department of Higher Education will have a unified portal "PM-Vidyalaxmi" on which students will be able to apply for the education loan as well as interest subvention, through a simplified application process to be used by all banks. Payment of interest subvention will be made through E-voucher and Central Bank Digital Currency (CBDC) wallets.

PM Vidyalaxmi will build on and further enhance the scope and reach of the range of initiatives undertaken by the Government of India over the past decade in the domains of education and financial inclusion, for maximizing access to quality higher education for the youth of India. This will supplement the Central Sector Interest Subsidy (CSIS) and Credit Guarantee Fund Scheme for Education Loans (CGFSEL), the two component schemes of PM-USP, being implemented by the Department of Higher Education. Under the PM-USP CSIS, students with annual family income up to Rs. 4.5 lakhs and pursuing technical/ professional courses from approved institutions get full interest subvention during moratorium period for education loans up to Rs. 10 lakhs. Thus, PM Vidyalaxmi and PM-USP will together provide holistic support to all deserving students to pursue higher education in quality HEIs and technical/ professional education in approved HEIs.

Union Home Minister and Minister of Cooperation ...

(Contd. from page 1)

has moved ahead with a concrete strategy against terrorism. He said that Modi ji's slogan of 'Zero Tolerance against Terrorism' has been accepted not only by India but by the entire world. In the last 10 years, a strong 'ecosystem' has been built in India to combat terrorism. Shri Shah added that although much remains to be done, but if we take an overview of the work done over the past 10 years, it can be considered satisfactory. Home Minister also announced that the Ministry of Home Affairs will soon introduce a National Counter-Terrorism Policy & Strategy to fight terrorism, terrorists, and the entire ecosystem supporting them.

Shri Amit Shah said States have their own geographical and constitutional limitations, while terrorism and terrorists have no boundaries. He said that terrorists engage in both international and interstate conspiracies, and to develop an effective strategy against them, we need to build a strong system through conferences like this. This will help curb activities such as terrorism, narcotics, and hawala operations, which threaten the country's borders and economy. He expressed confidence that this conference will not only serve as a platform for discussion but will also bring forth actionable points that will strengthen our fight against terrorism. He said that the true utility of such conferences lies in taking the actionable points down to the Police Station and beat levels. From the beat officers to the Director General of NIA, the entire system should be successfully made aware of the threats posed by terrorism.

Union Home Minister and Minister of Cooperation said that the world recognizes that numerous steps have been taken by India to combat terrorism since Shri Narendra Modi became the Prime Minister. He mentioned that fighting terrorism does not merely mean uncovering a few conspiracies; rather, it means legally empowering the agencies fighting terrorism and creating an ecosystem that strengthens our fight against it.

Shri Amit Shah noted that on August 2, 2019, amendments were made to the NIA Act, which added new offences and granted extra-territorial jurisdiction, allowing the NIA to conduct investigations abroad as well. He mentioned that on August 14, 2019, amendments were also made to the UAPA, empowering authorities to seize property and designate individuals and organizations as terrorists. He added that the Ministry of Home Affairs has coordinated efforts for deradicalization, various Ministries have developed their own strategies, and MHA has established an institutional framework for this purpose.

Home Minister said that in the year 2020, a 25-point integrated plan was formulated to control the funding of terrorism, with a range of measures from jihadi terrorism to northeast, Left-Wing Extremism, fake currency to narcotics. From FCRA to radicalisation financing to smuggling of illegal arms, the work was done to break the 'ecosystem' with coordination among various agencies and it has yielded very good results. He said that significant changes were made in the functioning of the Multi-Agency Centre (MAC). Shri Shah mentioned that the National Memory Bank was established, and steps were taken to implement it effectively. A central database based on intelligence was also created. He added that several databases have been developed, which can benefit efforts to root out terrorism.

Union Home Minister and Minister of Cooperation said more than 15 organizations have been declared as Terrorist Organizations and Unlawful Associations, and recently, seven more organizations have also been designated as Terrorist Organizations. Shri Shah said that since 2014, there has been no major terrorist incident in the country. He mentioned that in last 10 years there has been a 70% reduction in terrorist incidents.

Shri Amit Shah said that in the last five years, the implementation of several databases has been carried out. NATGRID is a centralized data access solution, and there is a need to develop a work culture among officers up to the Superintendent of Police level to effectively use it. He added that initiatives like NCORD, NIDAAN, and MANAS are being utilized with AI by the NIA. He emphasized that these databases should be used at all levels of police forces in all States.

Union Home Minister said that the NIA has investigated cases under the UAPA and has successfully achieved a conviction rate of nearly 95%. Shri Shah emphasized that unless all forces utilize technology, we cannot effectively combat the menace of terrorism. He mentioned that terrorism is a boundless and invisible enemy, and to win the war against it, we must equip our young officers with the necessary technological tools.

Shri Amit Shah described the three new criminal laws as transformative for the country's criminal justice system. He stated that all states need to implement these laws in both letter and spirit. Shri Shah added that once these laws are fully implemented in jail, forensics, courts, prosecution, and police, India's criminal justice system will become the most modern in the world. He added that these new laws have, for the first time, provided a clear definition of terrorism.

Union Home Minister stated that to win the fight against terrorism, a "Whole of Government Approach" is essential, and we need to create an integrated, actionable system. He emphasized that to address challenges such as terror financing and new threats like crypto currencies; a coordinated approach must be adapted from Police Stations at the State level to the Offices of the Directors General of Police. Shri Shah said that the time has come to shift from a "Need to Know" approach to a "Duty to Share" approach.

Shri Amit Shah urged that all States should consider the fight against terrorism as their own. He said that under the leadership of Prime Minister, Shri Narendra Modi, the Ministry of Home Affairs will create an ecosystem with a strong resolve to fight terrorism, deliver results, and successfully root out this menace.
