Laying of submarine pipeline for transportation of water from Rutland to Port Blair in progress

Actual drilling operation for laying pipeline began at Pongibalu; Secretary (PWD) inspects site

Port Blair, Aug. 8

Laying of submarine pipeline for transportation of water from Rutland to Port Blair is under progress. The actual drilling operation for laying the pipeline commenced today at Pongibalu, in the presence of Secretary (PWD). Representative from Engineers India Limited (EIL) consultant for the work was also present. The Secretary visited the site and inspected all the arrangements made for the drilling operation. He expressed happiness over availability of sufficient standby machineries and critical spare parts at site and directed concerned officials to ensure early completion of drilling process, so that work can be completed by target date of 15th September, 2021.

During inspection,

operation of various machineries was explained in detail. Control, monitoring and tracking mechanism for Horizontal Directional Drilling (HDD) was also demonstrated. It was informed that with the available tracking system, exact profile of actual drilling can be tracked, verified and course correction can be carried out in real time. Further, on Rutland side, welding of about 1670 Mtr pipe, out of total 1720 Mtr has been completed. Now, these welded pipes shall be subjected to various types of testing to check quality of work and rectify any defect (if detected) during testing. Directions were issued to agency to immediately start testing process and ensure completion of all testing formalities before completion of drilling operation, so that submarine pipeline can be commissioned without any further delay. After completion and commissioning of the project, 6.60 MLD of water from Rutland shall be made available to Port Blair Municipal area and adjoining rural areas of Port Blair. It shall help in mitigating chronic shortage of water felt during summer in these places and fulfill the long cherished dream of the people of water shortage free summer, a press release from APWD said.

Beautification of Children's Park at Campbell Bay taken up under SBM (G) Phase-II

Port Blair, Aug. 8

The initiative under Swachh Bharat Mission-Grameen, aims at inculcating good sanitation and hygiene practices. Swachh Bharat Mission Grameen Phase-II has been uniquely designed to leverage the capacity of the individuals and communities in rural India to create a peoples' movement to ensure the ODF status of rural areas is sustained and people practice safe hygienic behaviour. At Campbell Bay, the maintenance of Children's Park, is being

done for its beautification by deploying the sanitation workers of both Govind Nagar & Campbell Bay Gram Panchayats. The work is being done by using grass cutters and other items provided under Swachh Bharat Mission- Grameen

Phase-II. The park will create a space for the people to congregate safely and for the kids to enjoy the playground equipment. The park is situated in the centre of Campbell Bay and is the prominent place for the general public for walking or visit

with their family. The maintenance of the park will also provide a platform for the SHGs under NRLM for organising the SHG weekend/Sunday market to sell their handmade products to enhance their livelihood.

Swachh Bharat Mission-Grameen Phase-II is not just about constructing infrastructure for ODF Plus villages but aims at behaviour change of the masses to adopt better sanitation and hygiene practices, a press release from Secretary (RD) said.

One more Illegal Bangladeshi immigrant arrested in A&N Islands

Police seeks people's cooperation to weed out illegal immigrants

Port Blair, Aug. 8

A case under section 14 of Foreigners Act 1946 r.w.s. 465/467/ 468/ 471/474/419/420/ 120 (B) IPC was registered against an illegal Bangladeshi immigrant, Alamgir Gazi who has been arrested by Central Crime Police Station. The illegal immigrant had acquired Indian documents like Aadhaar card, Islander card & opened an SBI Account at Bambooflat branch. He may have voted in Panchayat Election of 2015 and Lok Sabha Election of 2019 in A&N Islands.

Investigation has revealed that Alamgir Gazi came to Andaman and Nicobar in the year 2010 and worked here as a labourer at various construction sites and also worked as a farm labour in Bambooflat area. Alamgir Gazi

obtained Islander Card. It is also learnt that a public representative of Bambooflat region had helped him enroll in the Electoral list of A&N Constituency. Role of those who assisted him in acquiring these documents is

being investigated. Meanwhile, general public have been requested to be eyes and ear of the police and report about any illegal immigrant foreign national to the police. The name of the informer will be (Contd. on last page)

32nd Summer Games conclude with closing ceremony at Olympic Stadium in Tokyo

Tokyo, Aug. 8
After a spectacular 16-day action, curtains came down on World's biggest sporting event, the 32nd Summer Games with a closing ceremony at the Olympic Stadium in Tokyo today. The Tokyo Olympic Games was delayed by a year due to the COVID-19 pandemic.

The mega quadrennial event officially opened on 23rd July with a glittering opening ceremony in the Japanese capital. Due to coronavirus protocols, the opening as well as closing ceremonies were held without spectators. The festivities in the closing ceremony began with the raising of the Japanese flag and its national anthem. It was followed by a parade of athletes featuring a single flag bearer from each country. Wrestler Bajrang Punia who bagged a Bronze in Tokyo Olympics, led the Indian contingent out

during the parade of athletes at the closing ceremony. The biggest Sporting event saw record-breaking history being made across multiple sporting events. India's campaign in the Tokyo edition was

the most successful one yet that brought the country a first-ever gold medal in track and field as Neeraj Chopra secured a top podium finish in the Javelin throw. Overall, India finished with seven medals - one

gold, two silver and four bronze - the country's best ever finish at the Games. In the end as always, the biggest sporting games aim to underscore the message of the Founder of modern Olympics, Pierre de

Coubertin that the most important thing in the Olympic Games is not to win but to take part, just as the most important thing in life is not the triumph but the struggle. The essential thing is not to have conquered but to have fought well.

augmenting infrastructure and connectivity with the Indian archipelago, to implement its plans to secure the strategic advantage the islands provide in the Indian Ocean. "The high resolution data on coastal topography acquired through ALTM survey is useful for modelling and assessment of the coastal inundation caused due to oceanogenic hazards such as tsunamis, storm surges, high waves, etc. This information will improve the tsunami, storm surge and ocean state warnings generated by INCOIS of the Ministry of Earth Sciences," Shri Singh said in a statement.

This also comes in the backdrop of India being one of the most vulnerable country for extreme weather events, ranking 20th on Climate Risk Index (CRI). Better connectivity and infrastructure will help India secure its territory and protect its trade routes even as China aims to expand its naval reach. India's only tri-service command is established in A&N at the entrance to the Malacca Strait, the world's busiest shipping route.

India also plans to conduct airborne radar surveys to estimate the thickness of Himalayan glaciers, with a pilot study to be conducted in the Lahaul-Spiti basin of Himachal Pradesh. Once the pilot project is done, similar studies will be conducted in Indus, Ganga and Brahmaputra sub-basins. (Source: www.livemint.com)
