Govt. of Madhya Pradesh consents to undertake Compensatory Afforestation for diversion of forest land for development projects in A&N Islands

Port Blair, Sept. 9

Andaman & Nicobar Islands have a coverage of 94% under Forest/Water Bodies/ Inter-Tidal Zone/Deemed Forest and only 7.71 sq. km is available for development purposes. Compensatory Afforestation (CA) over equivalent area of non-forest land or twice the area of degraded forest land was one of the mandatory requirements while approving proposals for diversion of forest land for non-forestry purpose under the Forest (Conservation) Act 1980. The Compensatory Afforestation was a major obstacle in implementing developmental

and infrastructure projects in the Islands due to non-availability of land for Compensatory Afforestation. The Administration had taken up the issue in the 5th meeting of Islands Development Agency and subsequently pursued with Government of India for relaxation of the norms. The Ministry of Environment, Forest & Climate Change, GoI had decided that in case of States/UTs having forest cover in excess of 75%, requisite land for CA need not be offered within the UT itself and the same could be done in any other UT/State. However, linking with willing forest deficient State/UT was a concern again for

the Administration. The Administration had taken up with the Ministry of Environment, Forest & Climate Change to notify suitable States for undertaking Compensatory Afforestation.

The Administration has recently drawn up projects of Rs. 33500 Crore under National Infrastructure Pipeline. Concept development plans for holistic development of Little Andaman & Great Nicobar Islands with mega projects under the aegis of Islands Development Agency are also under active consideration. Land for Compensatory Afforestation is a pre-requisite for implementation of most of these projects in the Islands.

Accordingly, the Administration had taken up with the State Governments for consent to carry out Compensatory Afforestation in lieu of forest land diverted for development projects in the Islands. Now, the Government of Madhya Pradesh has accepted our request and given consent to carry out Compensatory Afforestation work in 650 sq km in the degraded forest area of the State subject to deposit of funds for CA in the CAMPA fund. This would enable and expedite transformational infrastructure developmental projects in the Islands, a press release from A&N Administration said.

Towards digital Andaman 77 citizen centric services provided by Departments made online for easy access

Services can be availed through
Administration Portal or CSCs

Port Blair, Sept. 9

The Andaman & Nicobar Administration has been working towards implementation of the Digital Initiatives of Government of India for improving transparency and efficiency. As a step towards providing information digitally and to facilitate common citizens, 56 services have been completely made online for its easy access by the citizens. A press

release from Special Secretary (IT) stated that online services pertaining to Departments such as Agriculture, Labour, Revenue, Transport, Health, PBMC, Higher Education, School Education, A & N Police have been made available for citizens. In addition to this, 21 services have been digitized under Business Reforms Action Plan (BRAP). These services can be

availed by the citizen through internet by visiting the portal <https://edistrict.andaman.gov.in> and www.andaman.nic.in. Alternatively, the services can also be availed through the nearest Common Service Center (CSC/ eDweep Kendra). (The list of online services provided by the Departments is published on last page of this issue).

Fight against COVID-19 : Significant milestone achieved

A&N Islands crosses 1 lakh Test Per Million against national average of 36,703

Port Blair, Sept. 9

In its fight against COVID-19, the A&N Islands has crossed an important milestone of 1 lakh Test Per Million (TPM) in COVID-19 testing against the All- India average of 36,703. TPM is a measure that indicates the intensity and extent of coverage of COVID-19 testing in the population. Though the TPM witnessed a steady increase with the commencement of RT-PCR testing in March, 2020 through ICMR Regional Centre, Port Blair, it increased at a rapid pace with augmentation of further testing through TrueNAT/CBNAAT and Rapid Antigen Test (RAT). Due to increase in

the number of testing facilities and aggressive testing, a cumulative total of 41538 tests have been done as on 09/09/2020. By reaching 1,03,845 Tests

Per Million (TPM), A&N Islands shares the stage with Goa in terms of number of COVID-19 tests conducted per million people.

The expansion of testing by Rapid Antigen Test in several parts of the Islands has facilitated on the spot detection and segregation of COVID positive cases, thereby preventing further spread among the family members and general public. Higher testing enables early identification of confirmed cases and also timely initiation of effective treatment which aid faster and higher numbers of recovery, lower fatality and thus saving more lives, a press release from Commissioner - cum - Secretary (Health) said here today.

District Administration of N&M Andaman makes arrangement for students appearing for University exams/NEET

Port Blair, Sept. 9

In view of examinations being conducted by various universities like Pondicherry University, IGNOU and competitive examinations like NEET by different Institutions/ Agencies of Government of India in Port Blair and in mainland, the District Administration, North &

Middle Andaman has made all required arrangements for safe and timely travel for students and their guardians. Special ships have been arranged for students from Diglipur and dedicated buses have been planned from various other locations of North &

Middle Andaman. Arrangements have been made keeping in mind the exam dates for the timely movement and convenience of the examinees. Apart from these, special schedule has also been chalked out for students within the District who have to take (Contd. on last page)

Effective implementation of PM SVANidhi scheme in A&N Islands

Certificates of Vending issued to 168 street vendors till date

Port Blair, Sept. 9

Under AatmaNirbhar Bharat campaign, the implementation of PM SVANidhi scheme is being carried out in Port Blair. As part of this campaign, Certificates of Vending (CoV) were distributed to 44 street vendors of Port Blair today at Dr. B. R. Ambedkar Auditorium. The function was attended by the Chairperson, PBMC, Shri N.K.Udhaya Kumar, Shri Abhishek Dev, Secretary (UD), Smti. Anjali Sahrawat, Secretary PBMC and Shri Farooq, District Lead Bank Manager, SBI.

SVANidhi under which working capital up to Rs. 10,000/- for one year period is provided with interest subvention of 7%. The scheme launched in June, 2020 is aimed at helping formalization of street vendors and has opened new opportunity for them to move up the economic ladder. The regular repayment is incentivized through interest subsidy under the scheme. Further, digital transactions are incentivized through cash back

up to Rs. 100 every month.

The scheme is open for street vendors vending on or before 24th March, 2020. No collateral is required for accessing the loan of upto Rs. 10,000 /-. The loan can be repaid in monthly installment of approx. of Rs. 946/ each.

A total of 168 street vendors have been issued CoV by PBMC and 75 Loans have been sanctioned till date. Further, plans are underway to facilitate early disbursement of micro- credit loan to all eligible Street Vendors.

City Mission Management Unit (CMMU), Dairy Farm, Reocon Children Park Building of PBMC can be contacted for any further query on the scheme. PBMC envisages roll-out of the scheme's benefit to all the street vendors of Port Blair, a press release from Secretary, PBMC said.

MP felicitates 4 schools for achieving 100% result in Class X & XII Board exam

Port Blair, Sept. 9

The Member of Parliament, A&N Islands, Shri Kuldeep Rai Sharma has felicitated four schools in Ferrargunj Tehsil, South Andaman District viz. Govt. Senior Secondary School, Port

Mout, Vivekananda Kendra Zilla Parishad Vidyalaya, Port Mout, Muslim Education Society School, Ograbraj and Govt. Model Senior Secondary School, Ferrargunj yesterday by presenting a letter of appreciation to the

Principals, Teachers and Students for achieving 100% result for Class X and XII in the Board examination conducted by CBSE during 2020. He expressed sincere gratitude to the teaching (Contd. on last page)

Hope in the times of COVID-19: account of octogenarian's road to recovery

Port Blair, Sept. 9

The number of recovery cases from COVID-19 in A&N Islands has been remarkable. This is evident from the fact that many of the patients, especially senior citizens who were infected with the disease have sought timely medical help which have led to their recovery. Braving the challenges thrown by COVID-19, the Administration and Health Department is working together effortlessly, leaving no stone unturned to save and mitigate the losses caused by this pandemic.

Needless to mention, the North and Middle Andaman were also not spared by this deadly virus. The first infection in Diglipur was detected on 29/06/2020 with subsequent increase in the number of positive cases. Of the infected patients, few were senior citizen and co-morbid patients. Their testament of recovery process gives hope for those battling COVID-19 in A&N Islands.

An 85 years old senior citizen, Shri Chittaranjan Biswas, S/o Late Haribar Biswas, R/o R. K Gram, Diglipur who is a co-morbid patient with

heart disease has recovered from COVID-19. He was having fever (Contd. on last page)

District Administration intensifies action against encroachers

29000 sqmts. of Govt. land restored during eviction drive

Port Blair, Sept. 9

Intensifying its effort in removal of encroachments over Government land by the District Administration, approximately 29000 sqmts. of land has been restored in favour of Govt. Khata by the Revenue Department in the past two days by taking strict action against the encroachments that were committed upon the Govt. land by unscrupulous elements.

The Tehsil Office, Port Blair conducted eviction drives at Radha Nagar area of Swaraj Dweep by restoring an area of 6700 sqmts. of Govt Land while at Ramnagar area of Saheed Dweep area of 600 sqmts. of Govt Land has been restored. In South Point village, an area of 200 sqmts. of Govt Land has been restored

during the eviction drive. Similarly, the Tehsil Office, Ferrargunj has removed (Contd. on last page)
